

Glue-Up Pricelist

January 2024

Sustainable and hard-wearing benchtops, tabletops, desks, shelving or chopping boards from reclaimed timbers that are sourced locally and manufactured at our Marrickville warehouse. Made to your specified dimensions and finished with Livos oils (environmentally-friendly, hypo-allergenic).

The Process

- Step 1. Measure of your space, decide on design sizes.
- Step 2. Pick your timber: Softwood or Hardwood, colour range and piece widths from shop stock / samples
- Step 3. Choose from the edge rounding options, filling colour and food-safe or furniture finishing oils
- Step 4. Place your order by paying a 50% down-payment
- Step 5. We glue-up your benchtop and notify you when it's ready for collection

Expected lead times will be give when placing your order.

Timber matching/requests subject to stock availability

Floating Shelves

Beautiful shelving to display books, plants, keepsakes and more. In store we stock a range of small boards (see timber price list) and offer custom glue-ups for larger shelves.

Custom shelf pricing is for sizes 22-28mm thick and up to 300mm deep, to your required length.

Softwood	all inclusive, per square meter	550
Hardwood	all inclusive, per square meter	625

All inclusive: shelves are sanded, edges rounded, filling of holes and gum veins, and finished with Livos oil. Minimum order: \$75

Have your own timber? BYO timber orders get a 10% discount.

Do your own finishing: un-finished orders get a 5% discount.

Bulk discounts (excluding BYO orders): over 1sqm: 5%, over 2sqm: 10%, over 3sqm: 15%, over 10sqm: larger discount on enquiry

Floating Brackets	incl. hardware and pre-drilling in timber	30 each
	5+ brackets	25 each
	10+ brackets	20 each

Floating shelf brackets are supplied with holes in timber pre-drilled for easy install. Floating brackets are suitable for masonry and timber stud walls only. Quantity is calculated by shelf length and weight.

All prices are incl. GST

Kitchen Benchtops

Pricing is by square meters, to calculate: (depth) x (length) = m2
Times the m2 of your project by the below prices:

	<25mm	26-35mm	36-50mm	>50mm
Softwood	575	625	675	725
Hardwood	675	725	775	825

Prices include: sanding, edge rounding, filling of holes and gum veins and finishing with Livos oil. Minimum order: \$75

Have your own timber? BYO timber orders get a 10% discount.

Do your own finishing: un-finished orders get a 5% discount.

Bulk discounts (excluding BYO orders): over 4sqm: 5%, over 5sqm: 10%, over 6sqm: 15%, over 10sqm: on enquiry.
